2023 Sponsorship Package

We invite you to partner with the Rotary Club of Sacramento and the Sacramento Children's Home as a sponsor of the tenth annual Sacramento Century Challenge on Saturday, September 30th. Ride long or ride short, this challenge has something for everyone. The tenth annual Century Challenge will feature four different course distances: 100/63/36/16. All rides start and finish at 8th and Capitol Mall, where everyone can enjoy our fun post-ride festival with great food, music and local wine and beer vendors.

Our 2023 beneficiary is once again the Sacramento Children's Home Crisis Nursery. The Sacramento Children's Home Crisis Nursery protects our community's most vulnerable children by offering a safe, supportive environment during times of crisis. With two locations in North and South Sacramento, the Crisis Nursery provides free, emergency childcare and overnight care for children from birth to age five, 24 hours per day, 365 days per year. The Crisis Nursery also provides case management services to parents and caregivers, helping them work through very difficult times in their lives. When families are facing stressful situations alone with no support, the incidence of family violence increases. By offering a safe alternative for children and supportive services to parents, the Crisis Nursery effectively reduces and/or prevents child abuse and neglect and decreases family violence.

92% developed new coping skills and experienced a decrease in stress.

88% gained awareness of additional available programs and community resources.

Your sponsorship will help ensure the success of our event and allow the Crisis Nursery to further its mission. A complete list of sponsorship opportunities and benefits is attached. Thank you for your consideration, and we look forward to the opportunity to partner with you in giving Sacramento's most vulnerable children and families a better tomorrow.

Sincerely,
